

**3(K) NAVAL NCC SUBUNIT, SREE NARAYANA
COLLEGE, KOLLAM**

ANNUAL REPORT 2021-2022

INTRODUCTION

The National Cadets Corps (NCC) is one of the biggest youth voluntary organizations in India which started on 15 July 1948 and aimed at grooming the youth into disciplined and patriotic citizens. It is a Tri-services organization, comprising Army, Navy, and Air force. The NCC provides opportunities to the youth of the country for their all-round development with a sense of duty and discipline, commitment, dedication and moral values, so that they can become able leaders and useful citizens.

The Naval NCC Subunit of Sree Narayana College, Kollam started on 01 September 1969 with an authorized strength of 50 cadets. The Naval wing of our college is attached to 3(K) Naval Unit NCC which comes under the control of NCC Kollam Group Head Quarters. This year we successfully reached the 50th year of its birth on 01 September 2019 and decided to celebrate its Golden Jubilee Year by conducting many programs throughout the year. In addition, the unit also decided to form an Alumni Association of Ex cadets.

50th year of existence is a feeling of joy; a spirit of oneness and a sense of gratefulness pervades every member of the NCC Family. Fifty years is a landmark that makes us look back with gratitude at the path trod by our forerunners. With this introduction, it is my privilege to place before you a brief report of the activities and achievements of NCC cadets, Sree Narayana College, Kollam for the Academic year 2019-2020. This report would enable us to make a self-assessment of

the achievements and drawbacks of the functioning of Naval Unit NCC in the college during 2019-2020.

ACTIVITIES OF THE ACADEMIC YEAR 2019-20 FOR THE PERIOD (01.06.2021-31.05.2022)

The regular NCC activities of the academic year started after the mid-summer vacation. The regular training programmes were scheduled on Saturdays and other holidays. The Permanent Instructional Staff (The armed forces personnel from Navy under Deputation in NCC) from the Naval NCC Unit and Associate NCC Officer (ANO) of the college give necessary training for the cadets. Cadets were given training on physical fitness, drill and service subjects. Cadets were also given training on NCC service subjects like, NCC Organization, leadership, health and hygiene, semaphore, boat pulling, ship modelling, firing and sailing. In addition to regular parade, unit arranged so many social service/community-oriented programmes such as blood donation programmes, cleanliness drives, important days of observance, etc. in order to create some social commitment among cadets.

Under 3 (K) Naval NCC Subunit, 22 Cadets were enrolled in this academic year from the first year UG students on 02 November 2021 whereby enrolled strength reached the sanctioned strength of 50 cadets. Prior to the selection process, a brief overview was given to get a general idea about Naval NCC. Out of 85 students who showed interested to join NCC, 22 students were enrolled (11 SDs and 11 SWs). First year cadets were selected based on good academic record, physical fitness test, involvement in extracurricular activities,

proficiency in swimming, interview and genuine interest to join NCC. As a part of institutional training, first year cadets have 15 parades (60 Hours) and second and final year cadets have 17.5 (70 Hours) of stipulated parades. But due to the Covid 19 Pandemic situation, there were 10 parades conducted. But the unit organized many online training programs and webinars.
